

Please share how you feel about the Water Quality and Safety of Delavan Lake?

***As the Delavan Lake 2025 Summer Season begins, we
would like to hear what others think about the quality
and safety of Delavan Lake!***

**As concerned citizens, we have created a
survey to hear what others think about
the water quality and safety of Delavan
Lake.**

***We will be forwarding the results to the Town of
Delavan for their consideration and response
regarding lake maintenance!***

***Lake maintenance includes all things to keep
Delavan Lake safe, navigable, and improve
water quality (such as harvesting weeds,
keeping the ponds clean, and testing the lake,
etc.)***

How can I participate in the survey?

Simply visit the link:

<https://www.surveymonkey.com/r/2JVCLVJ>

or ...

**Access the survey from your mobile
device!**

Who are we?

We are a group of concerned citizens who use and/or reside around the lake (such as in Delmar, Viewcrest, Ravenswood, South Shore Manor, Rockford Colony, etc.).

***We are not a political
organization or business!***

Why are we doing this?

We would like to ensure that the opinions of folks like us get summarized and communicated to the Town of Delavan for consideration in their Lake Maintenance Planning processes

What are we asking of you?

Please take 5 minutes to fill out a simple survey. The survey covers a variety of topics, including:

- ***Lake Water Quality***
- ***Boating and Safety***
- ***Fishing***

Final survey results will be made public mid-summer (2025)

Thank you for your kind consideration of participating in the survey!

Resources on Delavan Lake Management and Ecology

The **Town of Delavan** holds monthly meetings regarding topics and projects pertaining to the health and safety of Delavan Lake. Meetings are held at the Town Hall and regularly scheduled for 6 PM CT the first Wednesday of every month. Please see the following link for details... <https://townofdelavan.com/>

The **Delavan Lake Improvement Association (DLIA)** is an organization that strives to help improve, protect, and preserve the lake quality and all the land around it; to represent all those who own its property, and to help support a healthy and relaxing environment for our friends and visitors. <https://www.Delavan-lake.org/>

In their 2024 report, the **Wisconsin Department of Natural Resources** has declared the water quality on Delavan Lake as “impaired” since 2016. This means that the water quality has not met specific standards, with the presence of excessive phosphorus and algae in the water. The following link can provide more information on the Wisconsin DNR classification of Delavan Lake. For more information, see the following link.

Information on Recent Delavan Lake Property Expansion and Use

The Harbor Club at Lake Lawn is a new development on Delavan Lake that will add approximately 100 homes and 100 additional boat slips on the lake. It is located within the Lake Lawn Resort property, which accounts for approximately 12% of the Delavan Lake shoreline, and is part of the City of Delavan. These homes sell for ~\$1M (plus), yet none of their property taxes go towards the maintenance and support of Delavan Lake.

Also, there is now a proposed phase 4 on the Lake Lawn Resort property to add 36 new homes that would be placed where holes 3 and 4 are located on the Lake Lawn Golf Course. These holes hug the northwest shoreline. This development will downsize the golf course from a beautiful 18-hole course to a 9-hole course. More information should be released to the public soon.

Additionally, Shodeen Homes is developing The Shores of Delavan Lake which has plans for 500+ homes located off County Highway F North, bordered by Mound Road to the west in Delavan. This is within the Town of Delavan.
